CONNECTING WITH THE ENERGY OF NUMBERS

Vikki MacKinnon is an author, international speaker, and Master Numerologist with clients all over North America, as well as Britain, Japan, and the Middle East. Her personal mission is to help people become familiar with the energy of numbers so that they can gain a greater appreciation of themselves and their journey, and a greater sense of their own authentic personal power.

Watch for Vikki's book, *The Cycle of Nine: Your Key to Proactive Living*, to be released in the spring of 2011.

Sharon Carne, BMus, M.F.A., has been a faculty member of The Conservatory at Mount Royal University in Calgary, Alberta since 1988. In addition to many years of personal research on sound and energy healing, Sharon has received training from sound healing pioneers, Jonathan Goldman and Tom Kenyon. She is a certified Sound Healer, certified Acutonics® practitioner and Reiki master.

Sharon's other cd's, as well as her book, *Listen From The Inside Out*, are available through her website, www.soundwellness.com
